

BRUSHES*

Brush equipment troubleshooting	\$ 175
***Brush equipment bearing lubrication (1)	\$ 88
**Brush motor removal and installation	\$ 600
**Brush gearbox removal and installation	\$ 400
**Brush bearing removal and installation	\$ 400
**Brush shaft removal and installation	\$ 200
Brush cylinder removal and installation	\$ 175
Brush air pipe removal and installation	\$ 63
Brush adjustments	\$ 125
***Brushes (top, side) removal and installation (1)	\$ 175
** ***Brush (tire) removal and installation (1)	\$ 400
**Brush VFD programming	\$ 400
**Brush VFD removal and installation	\$ 400
**Brush circuit breaker removal and installation	\$ 200
**Brush contactor removal and installation	\$ 200

PRESSURE WASHER*

Pressure washer pump troubleshooting	\$ 88
Pressure washer pump oil change	\$ 88
Pressure washer motor lubrication	\$ 88
**Pressure washer pump motor removal and installation	\$ 400
**Pressure washer pump removal and installation	\$ 400
***Pressure washer pump belt removal and installation (1)	\$ 175
Pressure washer pump pressure adjustment	\$ 88
Pressure washer tank floating switch removal and installation	\$ 175
Pressure washer pipe removal and installation	\$ 175
Pressure washer hose removal and installation	\$ 63
Pressure washer filter clean	\$ 88
Pressure washer gun removal and installation	\$ 63
Pressure washer connector removal and installation	\$ 63
Pressure washer nozzle clean	\$ 350

RECLAIM SYSTEM*

Reclaim system troubleshooting	\$ 175
**Reclaim system VFD removal and installation	\$ 400
**Reclaim system VFD programming	\$ 400
Reclaim system motor lubrication	\$ 88
**Reclaim system motor removal and installation	\$ 600
**Reclaim system pump removal and installation	\$ 400
Reclaim system tank floating sensor removal and installation	\$ 350
Reclaim system water filter clean	\$ 88
Reclaim system water filter removal and installation	\$ 175
Reclaim system check valve removal and installation	\$ 175
Reclaim system pipe/hose removal and installation	\$ 350

VACUUM*

Vacuum troubleshooting	\$ 175
Vacuum motor lubrication	\$ 88
**Vacuum motor removal and installation	\$1,600
Vacuum fuse removal and installation	\$ 175
Vacuum circuit breaker removal and installation	\$ 175
Vacuum contactor removal and installation	\$ 175
**Vacuum pump removal and installation	\$1,600
**Vacuum underground snaking	\$ 400
Vacuum hose unclogging	\$ 125
Vacuum hose nozzle change	\$ 63

SOAP SYSTEM*

Soap system troubleshooting	\$ 175
Soap system motor lubrication	\$ 88
**Soap system motor removal and installation	\$ 400
**Soap system pump removal and installation	\$ 400
**Soap system VFD programming	\$ 400
**Soap system VFD removal and installation	\$ 400
Soap system air adjustment	\$ 175
Soap system chemical and water adjustment	\$ 175
Soap system sensor removal and installation	\$ 175
Soap nozzle clean	\$ 63
Soap pipe removal and installation	\$ 175

WATER SYSTEM*

Water system troubleshooting	\$ 175
**Water system motor removal and installation	\$ 400
**Water system pump removal and installation	\$ 400
Water system floating switch removal and installation	\$ 175
***Water system welding pipe removal and installation (1)	\$ 175
Water system solenoid removal and installation	\$ 175
Water system check valve removal and installation	\$ 125
***Water system nozzles clean (1)	\$ 88

COMPRESSOR*

Compressor troubleshooting	\$ 175
Compressor oil change	\$ 63
Compressor belts removal and installation	\$ 175
**Wire connections removal and installation	\$ 100
Air pressure switch removal and installation	\$ 175
**Compressor pump removal and installation	\$ 600
**Compressor motor removal and installation	\$ 400

CONVEYOR*

Conveyor troubleshooting	\$ 175
**Conveyor chain sprocket removal and installation	\$ 400
**Conveyor chain drum removal and installation	\$ 400
Conveyor hydraulic oil change	\$ 350
**Conveyor gearbox removal and installation	\$ 600
Conveyor all types lubrication	\$ 350
**Conveyor chain motor removal and installation	\$ 800
Conveyor chain tension adjustment	\$ 175
***Conveyor roller removal and installation (1)	\$ 175
Conveyor chain removal and installation	\$ 175
***Conveyor chain cylinder removal and installation (1)	\$ 525
Conveyor roller up fork removal and installation	\$ 88
Conveyor roller up fork spring removal and installation	\$ 350
Conveyor roller up cylinder removal and installation	\$ 88
***Conveyor air pipes removal and installation (1)	\$ 175
Conveyor magnetic sensor removal and installation	\$ 175
Conveyor floating sensor removal and installation	\$ 175
**Conveyor VFD programming	\$ 400
**Conveyor VFD removal and installation	\$ 400
**Conveyor contactor removal and installation	\$ 200
**Conveyor circuit breaker removal and installation	\$ 200

AIR SYSTEM*

Air system troubleshooting	\$ 175
Air system air pressure measurement	\$ 125
***Air system solenoid removal and installation (1)	\$ 175
**Air pipe removal and installation (1)	\$ 125
Air condensate dryer service	\$ 175

DRYER*

Dryer troubleshooting	\$ 175
** ***Dryer motor removal and installation (1)	\$ 600
***Dryer motor lubrication (1)	\$ 88
**Dryer fan removal and installation	\$ 400
**Dryer fan cover removal and installation	\$ 400
**Dryer fan gate removal and installation	\$ 400
Dryer air cylinder removal and installation	\$ 175
**Dryer contactor removal and installation	\$ 200
**Dryer circuit breaker removal and installation	\$ 200

DRAIN SYSTEM*

Drain system, pit troubleshooting	\$ 175
Drain pit unclogging	\$ 400

CUSTOM INSTALLATIONS/MAINTENANCE

\$TBD

TRAVEL HOURLY RATES

All services 8:00am - 8:00pm \$150/hour

EMERGENCY SERVICES TRAVEL HOURLY RATES

Emergency services 8:00am - 8:00pm \$205/hour

Emergency Services 8:00pm - 8:00am \$225/hour

EMERGENCY/AFTER HOURS SERVICES

All services double from the indicated rates

*The prices are subject to change based on individual assessment for each scope of work by of on-site mechanics.

*All prices are subject to sales tax and travel rates.

*All supplies utilized during the service will be invoiced separately. In the event that additional equipment needs to be ordered, payment is required upfront.

*All services will be evaluated for complexity by our on-site mechanics and billed accordingly based on the assessment of complexity and duration of the service.

*Service requests will be processed in order they received. Emergency services will be given priority, and our specialists will aim to arrive within 3 hours, taking into account potential traffic or other delays.

**Services that require additional mechanic assistance, \$80/hour per additional mechanic will apply.

***Price is indicated as per unit of serviced equipment.
